TODA KOGYO Publishes Integrated Report 2024

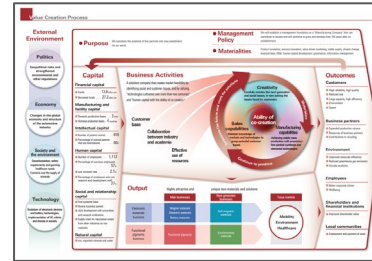

TODA KOGYO CORP. (TSE: 4100, hereafter, “the Company”) publishes the Integrated Report 2024 to further enhance its CSR Report. The report summarizes financial and non-financial activities based on its management strategies.

This report introduces details of the strategies set forth in the medium-term management plan “Vision2026,” the progress of initiatives for materialities and the progress status of ESG management. In addition, along with the “Value Creation Process” created in parallel with the planning of Vision2026, the report is edited to include messages from the Representative Director, President and CEO and the CTO, with the intention of conveying in an easy-to-understand manner the value to be created for the sustainable growth of the Group and the strengths to realize value creation.

Going forward, the TODA KOGYO Group will continue to improve communication with stakeholders and proactively disclose information.
